1

### LOWER COST

Cuts L&D costs, particularly travel-related expenditure.

2

### GREATER ACCESSIBILITY

More accessible to wider range of employees from across different regions.

3

### BETTER FOR THE ENVIRONMENT

Less need to fly around the world to meet colleagues for training.

4

### LESS DISRUPTION TO EMPLOYEE WORKFLOW

Continuous remote learning or bitesize remote learning or bitesize remote learning programmes are easier to incorporate into employees' daily or weekly routine with minimal disruption.

5

### CREATES NEW COMMUNITIES

By bringing a wider range of employees together, potentially across departments, online training can create new communities and new connections between employees who might not have met before.
